No Leaks, Lightweight and Portable

A portable and reliable washer for tackling that house siding, car or deck that's been needing attention. The PW150100 makes fast and easy work of all home and light duty cleaning projects. It's also lightweight, compact, and can be stored away easily.

With the PW150100, your customers can:

Clean all kinds of surfaces – our **EASYCONNECT**_{TM} tight connection points allow for easy changing of accessories and seamless switching between applications.

Cleans faster and uses less water than a standard garden hose

Transport easily between locations - customers will appreciate that our pressure washers weigh less than most units, so they can position them where needed.

Keep track of all accessories – convenient on-site storage helps prevent accessories from getting lost.

Store their washer almost anywhere – with a *smaller product footprint*, PW150100 can be tucked away in a closet, car trunk, basement, garage or other small space
