

with **EASYCONNECT™** technology

A powerful clean for multiple surfaces with hose reel and on-site storage for accessories

The powerful PW1835 is packed with useful features, plus it comes with a variety of spray nozzles. Your customers will enjoy being able to use one washer for so many jobs – whether they're using the angle nozzle to clean their gutters or the under carriage of a car, the turbo nozzle to clean a larger surface area like a driveway or sidewalk, or the brush to remove stubborn dirt from their car.

With the PW1835, your customers can:

- Assemble their washer effortlessly – with **tool-free assembly**, the PW1835 is ready to use right from purchase.
- Clean all kinds of surfaces – our **EASYCONNECT™ tight connection points** allow for easy changing of accessories and seamless switching between applications.
- Enjoy mess-free pressure washing – our **EASYCONNECT™ tight connection points** are designed to prevent leaking.
- Cut down on kinks – your customers won't be frustrated with a tangled hose, thanks to a **non-kinking hose AND a retractable hose storage reel**.
- Keep track of all accessories – **convenient on-site storage** helps prevent accessories from getting lost.
- Tackle a wide range of projects - **multiple accessories** including an angled nozzle and a brush provide a variety of cleaning options.
- Store their washer almost anywhere – with a **smaller product footprint**, PW1835 can be tucked away in a closet, car trunk, basement, garage or other small space.
