

A Powerful Clean With NO Leaks!

The Campbell Hausfeld 1900 PSI EASYCONNECT™ electric pressure washer (PW1901) is ideal for cleaning patios, decks, sidewalks, drives, cars, boats, and ATVs. Clean all kinds of surfaces – our EASYCONNECT™ tight connection points allow for easy changing of accessories and seamless

switching between applications. The 1 liter detergent tank is great for low pressure applications. Includes: in-line detergent tank, variable and detergent nozzles and 35 ft. GFCI equipped power cord.

Designed with you in mind

The PW1901 is the perfect mid-range pressure washer. With a 1900 PSI, it's packed with power but still lightweight and easy to store.

- **EASYCONNECT™ Technology**

Tight connection points allow for easy changing of accessories and seamless switching between applications

- **1900 MAX PSI**

Cleans faster and uses less water than a standard garden hose

- **Convenient Storage**

Keep track of all accessories. On-site storage helps prevent accessories from getting lost.

- **Easy to Store**

With a smaller product footprint, this unit can be tucked away in a closet, car trunk, basement, garage, or other small spaces.
