

Campbell Hausfeld® knows pneumatic systems and strives to provide the right accessories to make your system more efficient. Our specialty couplers and plugs are just some of the connectors that make your system work better.

Campbell Hausfeld® makes it easier for you to finish your projects like a pro. The company's history of creating quality products began in 1836, when it manufactured horse-drawn wagons and agricultural equipment. Today, the company offers a complete line of air compressors, air tools and accessories, inflators, nailers and staplers, paint sprayers, pressure washers, and more.

Finish your projects faster and easier with Campbell Hausfeld - The Air Power Expert.

- **DA403400 - 1/4 in. Industrial & Automotive Push-button Safety Coupler (F)**

Required by OSHA in certain applications, this specialty coupler with a 2-stage release mechanism prevents injury or damage due to accidental disconnects: push once to stop air flow, twice to release plug.

- **DA404100 - 1/4 in. Industrial Brass Swivel Coupler (F)**

The swivel feature is designed to prevent kinks and to reduce stress on the air hose—increasing the life of both and saving you money!

- **MP333500 / MP602500 - 1/4 in. Universal Coupler (F)**

- **PA118700AV - 3/8" Universal Coupler (M)**

Compatible with Industrial (I/M) and Automotive (A) plugs, this connection style provides an added convenience for users with mixed pneumatic systems.

- **MP515000AV - 1/4 in. Industrial Swivel Plug (M)**

Stop fighting with air hoses, the swivel feature of this plug is designed to reduce user fatigue by increasing mobility at the tool.

See reverse side for additional product specifications.
